Message from Kristy McBain MP

Thank you for reading the latest edition of my Eden-Monaro Business and Community Grants Bulletin.

I am passionate about grant funding as a vehicle to make our community a better place to live. This type of funding continues to be important as we to deal with flooding and storms, the aftermath of the bushfires and the COVID-19 pandemic.

I have highlighted throughout the bulletin many of the Volunteer and Stronger Communities Grant recipients recently awarded. These well-deserving organisations play an important role supporting our vibrant and inclusive communities and I am pleased to be able to provide these grants so that they can continue to make a difference across the region.

This bulletin provides details of **over 245 grant opportunities** from Local Government, the NSW Government, and the Australian Government that are currently open for application. It also includes private and philanthropic grants.

Included in this edition is NSW and Australian Government assistance following recent floods and storms across Eden-Monaro. Also, nominations are now open to community groups for tree-planting funds as part of the commemorative recognition of Queen Elizabeth's Jubilee.

There are many new grants available in the arts sector focussed on helping that industry get out and about again. The Ian Potter Foundation also has a range of grants open for application in the arts, environment, health and well-being.

As new grant opportunities and funding rounds become available, I will highlight them in future bulletins.

I trust you will find this information useful. As always my office is here to help you find the support you need. Please email me kristy.mcbain.mp@aph.gov.au or call my Queanbeyan (02 6284 2442) or Bega office (02 6492 0542) and we will do our best to assist.

Kind regards

KRISTY MCBAIN MP

The Sheargold Foundation vision is to enable meaningful, positive and permanent change in the Australian community. The Foundation aims to identify worthy charities that closely align with their purpose so they can partner to deliver real and effective change. They look to use the skills and experience of Board members to assist those charities they support and as such do not always take a passive role in the support provided; looking instead for those that have strong direction and a driving desire to make a difference.
